

# ZOO SCIENCE SYMPOSIUM

25 November 2021

10:00 – 16:00 CET

The Antwerp ZOO Centre for Research and Conservation (CRC) will organise their annual ZOO Science symposium in Antwerp ZOO.

The lectures can be followed physically, on site in the Okapi-rooms or online via a livestream.

The symposium programme will provide an overview of ongoing research projects where the CRC is involved, with special attention for Golden Headed Lion Tamarin Research and Conservation .
